19th July 2021

Dear Parents/Carers,

Our first day back on the 6th of September is our Ancient Egyptian Day, we have external visitors coming in to run this and the children will take part in a range of activities. This is to launch our topic for the term and will give the children an introduction to the Ancient Egyptians.

We would love the children to dress up either as an Ancient Egyptian or as an Egyptologist, some ideas are below.

Egyptologists - Jeans, shorts, wacky jumpers, "T" shirts, hats.

Ancient Egyptians – Ready-made Egyptian outfits are readily available on the internet. Cleopatra, Pharaohs, Mummies, slaves...

Attached are also some instructions on how to make you own costumes!

As well as coming in fancy dress we would also like the children to decide on an Ancient Egyptian name and wear this on a name tag for the day – ideas are also attached.

We hope that you all have a fantastic summer and the children come back ready to face the challenges of year 6.

If you have any questions about the day, please contact us on our class emails which will be checked intermittently throughout the summer.

6a@eversley.essex.sch.uk

6e@eversley.essex.sch.uk

Stay safe and take care.

Yours sincerely,

Mrs Anderson and Mr Edmunds

You will need a length of cheap white material. Dust sheet or old bed sheets are perfect.

Measure from the shoulders to the length required plus a few centimetres.

Double this measurement.

Girls full length, boys to mid-calf or full length.

Measure from elbow to elbow. This will be your finished width.

Fold material in half lengthwise. Cut out a hole just big enough for your head to go through.

Be careful, it's easy to make this hole too large. Start small!

Sew up the side seams, A to B, and C to D, being sure to leave a generous armhole.

Tie round the middle with cord.

TO MAKE A BOY'S HEADDRESS

Measure from the middle of the forehead to just below the shoulders. Take an oblong of white cloth this length. The width should be enough to tie at the back of the head comfortably.

GIRL'S WIGS

Wigs can be made from plaited black wool attached to a band of cloth tied around your head.

All Ancient Egyptians can wear bangles and beads.

ANCIENT EGYPTIAN COLLAR NECKLACE AND BRACELET.

Colour in your necklace and bracelet using bright colours. (Florescent marker pens or felt tips).

Every row of your necklace should be a different colour. Stick on to light card and cut out.

Cut the bracelet to length. Make holes in the ends of your bracelet, with a hole-punch, thread cord through the holes and tie around your wrist.

Make holes in the ends of your necklace; attach cord through each end, so you can wear your necklace comfortably.
