Dear Parents / Carers

Due to the big change in UK data privacy law, as part of the General Data Protection Regulation (GDPR), as with all companies, we have to review how we manage all personal data. During parents' evenings we will be asking parents to complete consent forms as well as checking the accuracy of personal details held on our systems. Thank you for your help with this.

We always appreciate your views and if you would like to provide feedback about the school please do so using the Parent View link at the bottom of our website home page.

www.eversley.essex.sch.uk Of course if you have any concerns or queries get in touch with us via the school office.

Thank you to everyone who has supported our collection of donations for World Book Day (£160) and Sport Relief (collecting this week). Parent Pay is up and running well but we won't be using this method to collect donations, so the usual bring a £1.00 to school still applies.

Should any child need to be kept inside off the playground during break times this can be arranged by putting it in writing to class teachers. Whilst this is unusual, it can be arranged in special circumstances, e.g. when a child is recovering from an injury. During this weather we have been bringing children inside for some of their lunch break on particularly cold days. Lets home it warms up soon!
