8th November 2018

Dear Parents/Carers

It has come to our attention that in recent weeks there have been a number of incidents that have occurred in the play park, outside of the school gate, before and after school involving some of our pupils. These have been reported on to us by other parents and members of the public. Incidents have included boisterous play, use of bad language and misuse of equipment in the park.

We are fully aware and appreciate that as children get older, they should develop their own independence by walking to and from school on their own.

If your child does walk to school on their own and is using the play park before and/or after school, please could you remind them of the following:

- Respect the equipment in the park to enable all members of the local community to use the area;
- Behave responsibly in this space so that other, younger children and families can still enjoy the space;
- Continue to model the expected behaviours of school whilst outside the school gates and wearing school uniform as they are still representatives of Eversley Primary School.

Although these incidents are occurring before and after the school day, the school does reserve the right to impose consequences on pupils in relation to incidents that continue to occur, in line with its statutory duties.

Thank you for your support in this matter.

Yours faithfully

Mr J Hancock
Deputy Headteacher
