British Value in Focus
The Rule of Law: We understand that rules help us to be safe and happy.

Homework books are due in every Tuesday morning and handed out on Thursday.

Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
--------	--------	--------	--------	--------	--------

In English over the next few weeks, we will be writing the Saga of Biorn, based on a video we have watched in class. Your task is to design a book cover for your story.

Please design both the front cover (with a picture, the title and the author's name) and a back cover with a blurb that makes people want to read your story!

In History this half term, we are learning about the Vikings. We have found out about Viking longboats and made posters about their different features. For this project, we would like to make your own mini Viking longship. It can be made from any material and we would like you to decorate it in a Viking style. If you would like to use any art resources (paper/card) from school, please let us know. We can't wait to see your finished boats!

Times tables will be tested every fortnight in class
 Please practise your times tables out loud, daily, in different orders.
 These half term, try practising your mental maths skills using the websites below.
